Nitrodubs AKA Jacalyn Grace Thomas the NitroNazi

Known by the username NITRODUBS on Discord, Jacalyn Grace Thomas is a frequent poster with over 1,500 messages in the recently leaked [IE Discord chats](#) alone. Jacalyn checks all of the boxes of your typical Nazi: racist, antisemitic, misogynistic, and homophobic.

To that end, she regularly posts about how she seeks to educate people about the ‘dangers of being gay’:

She seems to be really fixated on interracial marriage, often bashing it while throwing in antisemitism in her hatred:

My grandpa, a doctor who travelled the world, and has been to Africa several times told me this, "once a Black is in control of anything, it's corrupt"

 **NITRODUBS** 2018-11-16 23:28:13 
I'm getting pretty discouraged

 **NITRODUBS** 2018-11-16 23:28:37 
You know nearly 1/9th of our population is illegal immigrants from South America?

 **NITRODUBS** 2018-11-16 23:29:00 
1/9th of our country is high birth rate marxists

 **Jacob** 2018-11-16 23:29:32 
Did you know that blacks are only 14% of the population, but...

 **NITRODUBS** 2018-11-16 23:29:43 
It's so sad. My mom grew up there, started a legacy there.

 **NITRODUBS** 2018-11-16 23:31:29 
Also can we please stop saying they're 13 percent of the population? It's black men, 6% of the population, committing most violent crime.

 **NITRODUBS** 2018-11-16 23:31:48 
We're giving them too much

 **fgtveassassin** 2018-11-16 23:32:14 
probably like 4.5-5% really since most crime is males 18-34

same message bank, new hate

Why? Because her sister has a biracial child, which she often hints about in her IE Discord server messages.

Jacalyn's grandmother, Kay Reichert, who we will get back to in a little bit, beats the child regularly – to the point that Jacalyn's sister doesn't like bringing her kid around anymore. Sounds like grandma Kay needs a healthy dose of sunlight, too.

 **NITRODUBS** 2018-08-28 20:37:11 
My sister hardly even comes around anymore because my grandma beats the crap out of her kid whenever he talks like that.

Her grandfather is no saint either, look at what he has to say about black people behind closed doors:

from <https://discordleaks.unicornriot.ninja/discord/view/1627261?q=#msg>

Her brother, photographed here, is also “redpilled” according to Jacalyn:

He's a pagan type red pill lmao

 **Goose** 2018-10-04 20:44:25 
i'd ask why he still has that hair then, but i'm just as bad as he is

 **Goose** 2018-10-04 20:44:44 
getting that buzz before the Colorado trip though

 **NITRODUBS** 2018-10-04 20:44:54 
There's really nothing in our ideology that strictly goes against him having long hair.

 **Fox** 2018-10-04 20:45:02 
I'll believe it when I see it, @Goose

 **missliterallywho** 2018-10-04 20:45:21 
Fash cuts are overrated

 **NITRODUBS** 2018-10-04 20:45:29 
Also it's kinda just a thing my mom taught us, to not cut our hair

Thanks for outing the entire fascist family!

Jacalyn's issues that led her down a path to extreme hatred for the "other" seems to stem from a few factors, namely her horrible familial influences, and the suicide of her father. "NITRODUBS" also left a clue to her own identity regarding discussing her dad: she said that his name is Jackson, and that she was named after him. It seems that white supremacy and toxic masculinity run deep in her family.

 **NITRODUBS** 2018-10-05 01:52:01 
Violet, after my great grandmother, Rose, just because i really like flower names lmao.

Jackson, after my dad, Jonathan, just because it's a strong name

 **Deleted User** 2018-10-05 01:52:09 
@Jacob my best friend is one of 9. I think some people are just Catholic.

 **Jacob** 2018-10-05 01:52:20 
My family is Catholic

 **NITRODUBS** 2018-10-05 01:52:27 
It'd be really cool if my son had blue eyes, because I was named after my dad because we were both the only ones in the family with blue eyes

 **Deleted User** 2018-10-05 01:52:29 
@NITRODUBS I like those!!

 **NITRODUBS** 2018-10-05 01:52:47 
But everyone in my family has green eyes and my boyfriends family has green eyes so I'm doubtful lmao

from <https://discordleaks.unicornriot.ninja/discord/view/1764457?q=#msg>

She claims that her father committed suicide due to a depression stemming from her sister dating a black guy and adapting a different worldview.

 **NITRODUBS** 2018-10-11 17:13:39 
@Procella Eques my dad committed suicide because of the anti white narrative that's been taking over our society.

 **NITRODUBS** 2018-10-11 17:14:21 
It's actually common from what I've been seeing lately. And the leftists will laugh at it.

 **NITRODUBS** 2018-10-11 17:15:36 
After seeing how much of a failure my sister turned into from modern media (trashy, violent, dating a black guy, very degenerate) he basically went into a deep depression, lost the marriage, the house, then just took his life.

<https://discordleaks.unicornriot.ninja/discord/view/1754220?q=#msg>

Jacalyn seems to have originally been a Bernie supporter when she was 17, but she later turned to white supremacy, namely by dating a member of the Traditionalist Workers Party, who lives in the same trailer park next to Matthew Heimbach and was harassing her in December of 2018:

 **NITRODUBS** 2018-11-10 06:04:04 
Ex boyfriend is a radicalist, found out I was in IE. Now he's called me like 10 times tonight and told me, "I see any IE people in Michigan and I'm shooting them" so uh. Yeah, anyone near Detroit I guess be a little weary

They apparently aren't on good terms anymore. Jacalyn has moved onto a new boyfriend, some chud who goes by Duke, who uses the username Duke1998, who has also applied to Identity Evropa, is in a coding class, plays Trombone, messages with Richard Spencer on Twitter, and who lives near Kentucky.

Jacalyn was originally excited about having a YouTube channel followed by Richard Spencer, which is ??? given the strained relationship between Richard Spencer and Identity Evropa (it's not good, they kind of hate each other).

She even showed up to a Richard Spencer event in 2018 at Michigan State University, along with various members of the fascist cell Patriot Front, the now-defunct Tradionalist Worker

Party, and, you guessed it: Identity Evropa. You can see Jacalyn starting at around 38 seconds in this *Detroit Free Press* [video, assaulting people.](#)

Here is a photo of that day, which Jacalyn posted a redacted version of in the IE Discord:

Cementing her white nationalist activity at MSU, friends at Heresy Squad passed us this [video](#): from where Jaclyn can be seen giving a Nazi salute to the crowd of anti-fascists:

So that's what she looks like and what she believes, but who is she?

In her time at Identity Evropa, she has put up fliers at many college campuses, including Wright State University, where you can see her in the reflection of the door in a photo she posted of her propaganda in the IE Discord, along with another Ohio member whose face may be visible in the same photo:

Taken from <https://discordleaks.unicornriot.ninja/discord/view/1365712?q=#msg>. Nice reflections, you two.

She lives in Tipp City, Ohio.

 **godric** 2018-11-19 01:51:41 
Dang is it the whole state that is white then?

 **Jacob** 2018-11-19 01:52:22 
@NateDahl76 I don't think any city in Poland is less than 99% white

 **Jacob** 2018-11-19 01:53:42 
I was looking at one city that had really low living costs yesterday and it was 97% Polish. Biggest minority was Belarusians, at 2.5%

 **godric** 2018-11-19 01:53:50 
@NITRODUBS what city if you dont mind saying? Akron is probably 20% white.

 **NITRODUBS** 2018-11-19 01:53:59 
Tipp City

“NITRODUBS” states that she lives in Tipp City, Ohio.

Jacalyn also said that her mother owns a “spiritual shop”

 **NITRODUBS** 2019-02-10 15:34:33 
So I was working at my moms shop yesterday (spiritual shop) and this lady, insane from the divorce she's going through, comes to me and starts telling me all these conspiracy theories about her husband, and how she wants to be “an investigative journalist” for The NY Times. She's asks me for advice, I told her to just sit down in the quiet and drink some tea. Now she says I should look into being a “spiritual guide” as a profession.
I think my new job is going to be telling upstate ny liberals to sit down and drink tea.

where Native American Music is played:

 **NITRODUBS** 2019-01-20 16:25:59 
Just realized something. But don't take this as 100% fact because I could be wrong. My mom plays a lot of Native American music at her shop (she sells crystals and stuff), and the one song they were playing at that catholic pro life rally sounded EERILY similar to a Cherokee war song my mom plays in her shop.

Via <https://discordleaks.unicornriot.ninja/discord/view/1512046?q=#msg>

and where she has a surprise for those who remove their white hoods in front of her, revealing to them her white supremacy.

You see that Symbols of Native America book in the photos of the back part of her mom's store? Maybe Jacalyn's words will best describe what her mother does there:

from <https://discordleaks.unicornriot.ninja/discord/view/1453580?q=#msg>

She claims her mom has been in business for thirty years, and has only had one complaint for her politics. Let's change that 😊

Now let's get to how we found Jacalyn using her Discord posts. There are only a small handful of stores that sell jewelry, crystals, and Native American goods that are close to Tipp City, Ohio. There is one that is definitely run by a family of white supremacists.

Jacalyn's grandmother is Kay Reichert, who is the president of Kokopelli Gift House in Dayton, Ohio. You can see Kay Reichert's Facebook archived here, with a blaring 'Trump 2020' like, as well as follows of many other right wing political groups. Not a good look there, Kay: <http://archive.is/mqPY1>, <https://archive.is/rWR6Q>

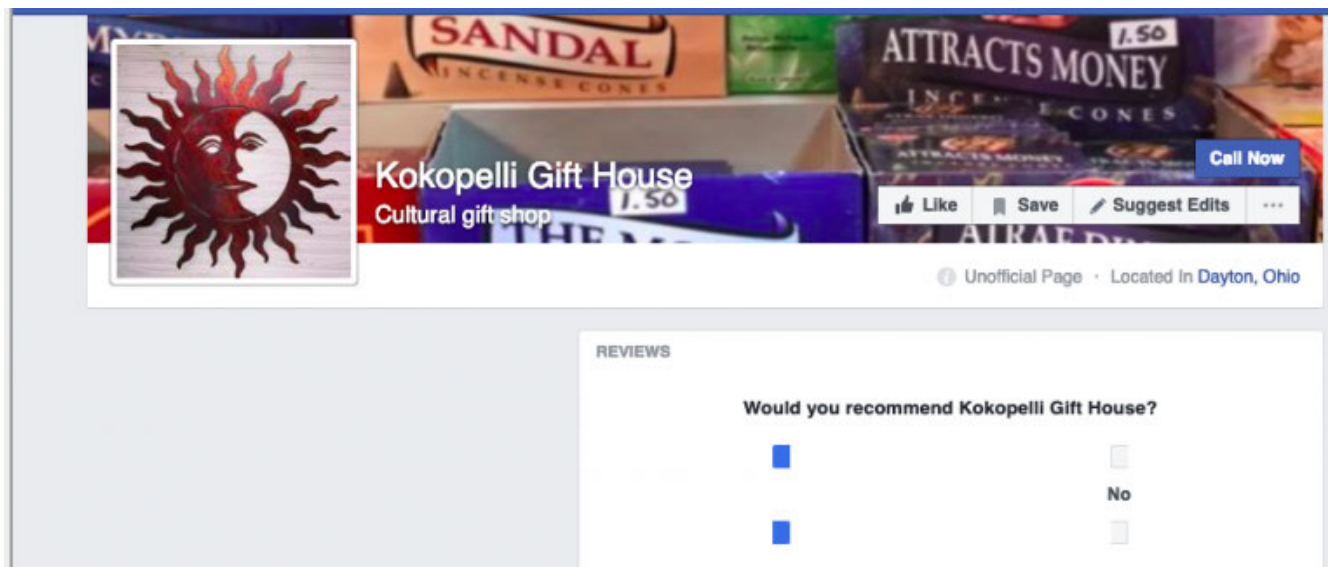

Her mother, Lisa Kay Thomas, is mentioned briefly in the reviews of the store's Facebook profile. We found a link between Lisa Kay Thomas and Kay Reichert, and then through Lisa we were able to find Jacalyn Grace Thomas. Her grandfather, Donald Reichert, also assists in the store.

Here is a photo of a business card that links Kay, Don, and Lisa. By searching for Lisa, we were able to find Jacalyn Grace Thomas, her daughter, 20 years old.

Business card for Kokopelli Gift House in Dayton, OH, listing the names Kay, Don, and Lisa.

You can leave a review for Kokopelli's Gift House here, to let them know how you feel about the white supremacists that run that store:

Archive here: <http://archive.is/XW7dk>

Here's the Facebook page for the shop: <https://www.facebook.com/pages/Kokopelli-Gift-House/134952403223919> or check out: <https://local.yahoo.com/info-15820910-kokopelli-gift-house-dayton>

Someone should really contact the Native American tribes whose culture Lisa is stealing and profiting from, too.

She has apparently found a new job at the end of February, but she used to work for an automotive engineering manufacturer that had Honda uniforms. There is a factory called SEGNA in Tipp City, Ohio whose main business partner is Honda.

Also, Jacalyn's grandmother, Kay, sounds like she really needs to be reprimanded for her abuse of her sister's child, who is a kid that did nothing to deserve the fucked up family they are surrounded by.
